Includes Chad's ACS Organic Chemistry Final Exam Study Guide (50 pages) and 550 practice questions including a full-length practice final exam!

Chad's Organic Chemistry Refresher for the ACS Final Exam

study the study guide. Seriously, the test is almost identical. I had to take the ACS final when i was in undergrad, and this was true, and then i had to take it again as an entrance exam to grad school (along with all the other ACS exams from each subject), and once again it was identical to the study guide, literally the same types of reactions just different substrates.

Where can I get the ACS organic chemistry study guide ...

For the study guide as Barbie-Doll mentioned, try the Bay as I know it's there. I took the ACS last Spring semester. It wasn't that hard, but the difficulty of your actual class plays a large role in determining how you'll perceive it.
