measure the critical knowledge and understanding obtained by students in a major field of study. The Major Field Tests go beyond the measurement of factual knowledge by helping you evaluate your students' ability to analyze and solve problems, understand relationships and interpret material from their major field of study.

### **Major Field Tests: About the Major Field Tests - ETS Home**

Total scores for the ETS ® Major Field Tests are reported on a scale of 120–200, except for the MBA test, which has a scale of 220–300, and the Associate Business Degree test, which has a score scale of 520–600. Students should attempt to answer every question, since there are no penalties for guessing. Students receive a score report regardless of how many questions they have answered. For group reports, however, scores are counted only for students that answer 50 percent or more of ...
