English professor Harold Schechter has replaced Ann Rule in my heart as the Lord of True Crime Writing, but don't go to him expecting a lurid account of the crime du jour. He's going to give you an account of the crimes of yesterday. Fatal focuses on the criminal career of Jane Toppan, who began killing circa 1890.

The fatal poison of irresponsible power was already in her hands, and soon commenced its infernal work. That cheerful eye, under the influence of slavery, soon became red with rage; that voice, made all of sweet accord, changed to one of harsh and horrid discord; and that angelic face gave place to that of a demon.

The copperhead accounts for more cases of venomous snake bite than any other North American species; however, its venom is the least toxic, so its bite is seldom fatal. [6] Venomous snakes are distributed unevenly throughout the United States — the vast majority of snake bites occur in warm weather states.
