Havens In A Storm The
Havens in a Storm provides a fascinating overview of recent developments and cogent analysis of the political dynamics of the issue." (Sol Picciotto, Lancaster University Law School) Review

Havens in a Storm: The Struggle for Global Tax Regulation ...
Havens in a Storm Book Description: Small states have learned in recent decades that capital accumulates where taxes are low; as a result, tax havens have increasingly competed for the attention of international investors with tax and regulatory concessions.

Havens in a Storm: The Struggle for Global Tax Regulation ...
No other book on tax havens is based on such extensive fieldwork, and no other author has had access to so many of the key decision makers who played roles in the conflict between onshore and offshore Sharman suggests that microstates succeeded in their struggle with great powers because of their astute deployment of reputation and effective rhetorical self-positioning.

Havens in a Storm: The Struggle for... book by J.C. Sharman
Sharman's new book, Havens in a Storm, offers an answer to this question through a case study of the recent Organisation for Economic Co-operation and Development (OECD) campaign to infiltrate tax shelters in the international economy.

Havens in a Storm: The Struggle for Global Tax Regulation ...
This short essay is a review of J.C. Sharman's book Havens in a Storm: The Struggle for Global Tax Regulation. In the essay, I first provide a brief overview of Sharman's book, which approaches the Organisation for Economic Co-operation and Development's struggle with tax havens over harmful tax competition from a political science perspective.
