Massacre At Mountain Meadows Ronald

Massacre at Mountain Meadows offers the most thoroughly researched account of the massacre ever written. Drawn from documents previously not available to scholars and a careful re-reading of traditional sources, this gripping narrative offers fascinating new insight into why Mormons settlers in isolated southern Utah deceived the emigrant party with a promise of safety and then killed the adults and all but seventeen of the youngest children.

On September 11, 1857, a band of Mormon militia, under a flag of truce, lured unarmed members of a party of emigrants from their fortified encampment and, with their Paiute allies, killed them. More than 120 men, women, and children perished in the slaughter. Massacre at Mountain Meadows offers...

Massacre at Mountain Meadows by Ronald W. Walker

the US government labels the Mountain Meadows Massacre as the worst act of terrorism in US history prior to the 1990's Oklahoma City Bombing. That the Massacre took place on 9/11 (1857) is also chilling. "American Massacre" is a better book on the subject--though it is a bit to skewed against the LDS Church.
