No-Hype Options Trading: Myths, Realities, and Strategies ...

Yes, it's called No-Hype Options Trading and I chose the title simply because there is so much hype in the options trading business. You can go to the Internet any day and find people bragging about making 78% in two hours or something like that, and so I was trying to dispel some of those myths. Well, what are some of the myths?

Amazon.com: Customer reviews: No-Hype Options Trading ...

Option myths probably started in 1635 when Dutch investors bought call options on exotic tulip bulbs. Some people made paper fortunes without ever taking possession of the beautiful bulbs. When tulip prices collapsed a few years later, so did the Dutch economy, and the once valuable options became worthless.
