In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

### Sterling Test Prep Sat Physics

Their practice tests are 55 problems, but the official test has 75. The problems themselves also use vocabulary that is absent from most of the official SAT Physics practice tests. Overall, not recommended for SAT preparation, but I guess they could be used for general physics prep, though there are still better options out there.
