Stories Of Ourselves The University

Stories of ourselves is a choice of short-stories which all are strikingly beautiful. Ranging from the 19th to the 21st century, these stories all provide us with contemporary concerns and interest. My favorite is "The open boat" which depicts the nightmare of four men on a small boat against a rough sea and fighting for survival. It is just too fascinating and well written.

The University of Cambridge (informally Cambridge University or Cambridge) is a public research university located in Cambridge, United Kingdom. It is the second-oldest university in the English-speaking world (after the University of Oxford), and the seventh-oldest globally.

Stories of Ourselves: The University of Cambridge ...

Interesting book. I personally think that some stories are post GCSE standard and would question whether children need to be examined beyond their years but in terms of a collection of stories for probing thought it is excellent.
