Food carts have been around for decades and they are one of the most cost-effective ways to start a mobile food business. Pros: affordable, easy to customize, easy to move between locations (they can be pulled by a bicycle/car or pushed by hand), easy to park, easy to maintain, suitable for both indoor and outdoor use, may require less licensing than a food truck.

How to Start a Street Food Cart Business - BizzOnWheels

A short guide to starting and running a street food business. You've taken the first step: you're here. This means you're already a country mile further than half the people we speak to who have "this great idea for a street food van".
