The Nature And Power Of

Power itself is a basic ontological concept and, like being, indefinable. However, we can bracket its qualities to provide meaning and understanding of its nature, and thus power functions as "linkage," as "will-to-completeness," as imminent "energy," as "strength-of-becoming," and as "force-towards-identity."

THE NATURE OF POWER; PHYSICAL, INDENTIVE, AND ASSERTIVE ...

The Nature and Power of Prayer is an inspiring daily study on the importance of prayer in our everyday lives. It can be read over a month's time or it can be read all at once. Pastor Greg offers the reader a relatable yet in depth study of how prayer allows us to have a closer relationship with the Lord and through that a deeper appreciation of the Bible.
