I chose Emily Bleeker's  
Wreckage.

Unfortunately, this has  
been the weakest book  
I've gotten through the

'Wreckage' is a good attempt at a novel by Emily Bleeker. The story is about David and Lillian and Kent-who are stranded on

an island after a plane wreck. There are inevitable deaths from the plane crash and then the shock of it all. There are burials and then the 'Cast Away' cliches- fish spearing, weight loss, muscle gain, tooth aches.
